A NEWSLETTER FOR PGCPS EMPLOYEES

A Message from the CEO

Dear PGCPS Professional Family,

As we conclude the 2022-23 academic year, I am tremendously grateful for all of you. Thank you for all that you do everyday for our students, families and each other.

In looking ahead to what's next, I am PGCPS proud of the foundation that we laid for success. This 32-year journey has shown me what's possible when we come together for the children and families that we serve.

We are reversing the negative narrative around our academic achievement. We will open 17 new schools over the next five years. Our investments in our youngest learners to our high school graduates will pay off.

PGCPS is moving in the right direction.

Please give the new Superintendent the patience, grace and mercy that you afforded me. I will always cheer you on from the sidelines.

Have a wonderful summer!

Sincerely,
Monica
