Thank You

On behalf of the Chapel Forge staff, I want to thank you for your generosity and support. The contributions you gave to the PTO enabled them to celebrate the staff in many wonderful way - goodies, breakfast, a Target gift card, a delicious lunch (with door prizes), and a very generous donation to Chapel Forge. A special THANK YOU to the PTO for planning and organizing all of the activities. The PTO has done a terrific job throughout the year of supporting the students and staff here.
