Our Commitment

PGCPS is moving swiftly to deliver safe, state-of-the-art, and sustainable learning environments for our students, teachers, and communities.

Through a three-pronged approach, traditional Capital Improvement, Phased Renovations, and the nation's first Public School P3 Design-Build-Maintain approach, otherwise known as the Blueprint Schools Program, we're on track to deliver over 25 modernized school facilities in just 10 years.

Agenda

- Team Introductions
- Project Scope Overview
- Where Are We Now?
- Anticipated Project Timeline
- Next Steps
- Q&A

Team Introductions

Department of Capital Programs

- **Jason Washington**, *Associate Superintendent of Supporting Services*
- **Shawn Matlock**, *Director*
- **Will Smith**, *Project Management Supervisor*
- **Anoop Gupta**, *Project Manager*

Educational Facilities Planning LLC

- **David Lever**, *Principal*

Szyfer Consulting LLC

- **Deborah Szyfer**, *Principal*

Grimm + Parker Architecture

- **Kieran Wilmes**, *Principal*
- **Jonathan Hill**, *Project Manager*

High Point High School

- **Dr. Lori Taylor**, *Principal*

Project Scope

The project will provide up to 2,600 student high school, replacing the existing High Point High School.

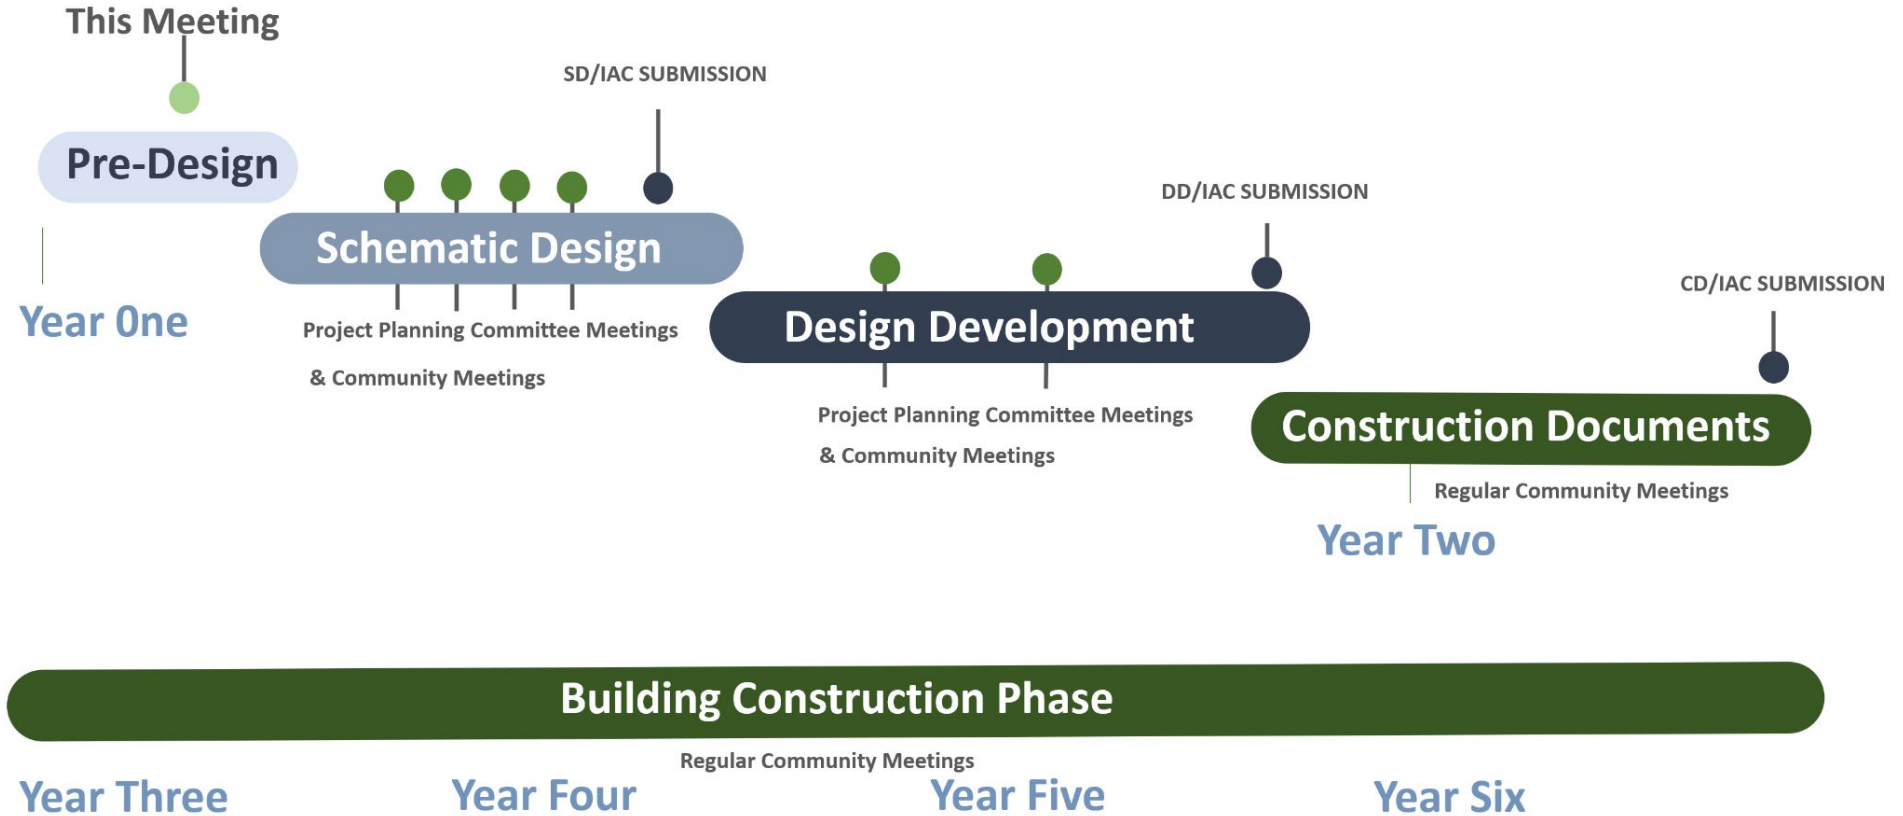

Current Status

- Planning funds approved by State of Maryland to finalize educational specifications and begin architectural design.
- New Northern Area High School (NNAHS) will become new CTE hub for northern part of county.
- Some of the CTE pathways from High Point HS will be relocated to NNAHS.
- High Point HS will continue to offer CTE pathways.
- Developing the educational specifications:
 - Outlines the types, numbers, and sizes of spaces to support the educational program.
 - Meeting with PGCPS Instructional leadership to confirm programs
 - Site visits to other high schools to learn best practices

Anticipated Project Timeline

Anticipated completion date: School year 2030-2031

- Will depend on *funding availability, permitting, technical issues* (e.g. soils)
- Students will be in located in New Northern High School while this project is under construction.

Next Steps

- Finalize educational specifications:
 - Documents the number, size, and relationships of required instructional and support spaces.
 - Expert input from instructional and support staff and school-level staff.
 - Review with all parties before finalizing.
 - Board of Education approval.
- Discussions with permitting agencies.
- Continue application for funding:
 - Funds for planning and design have been approved.
 - Will involve a number of annual cycles (typical for large projects).
- Architectural Design:
 - Physical relationship of all elements of the educational specification.
 - School and community input at critical stages of design.

Next Steps

Community Engagement

- High school visioning exercise: Input before design begins
- Organization of school
- Community Use Space
- Office for the PTO
- Possible School Health Clinic

Thank You! Questions & Answers

We value your input.

- Please type your questions/comments in the Q&A area of Zoom.
- Questions and answers from this town hall will be posted on the school project page at <https://offices.pgcps.org/cip/>.
- If you have additional questions, please email them to capital.programs@pgcps.org.

Thank You!
