Welcome Back!
Happy New Year

It was a nice long holiday break. I hope everyone enjoyed their holiday and the big snow. It is good to be back into the school routine. The children seemed eager to see their friends and teachers. It has been a quiet and productive week at Chapel Forge.

Reminder

The weather is turning colder and children are coming to school with hats and coats and gloves. It is a good idea to label all clothing items to ensure that your child will come home with the same items he came to school with.

Have a great weekend
