

College Summit Course Syllabus

Students will complete a prescribed course of study that includes developing their college essays, selecting a college list, researching financial aid, et cetera. Students will explore post-secondary opportunities by utilizing the College Summit curriculum and other methods.

Mission Statement - ensuring that every student who can make it *in* college makes it *to* college, and by putting college access “know-how” and support within the reach of every student.

Grading Scale: 100-90 = A
89-80 = B
70-79 = C
60-69 = D
59-0 = E

Grades are based on homework - 10%, classwork - 10%, assessments (oral and written) - 50%, and composition/presentations (BCRs, ECRs, essays, et cetera) - 30%
