Science and Technology Tutoring

Attention all Science and Technology students!!!

Are you having trouble achieving the grade you desire in your Science and Tech Classes?

If So, Come to Science and Tech Tutoring...

Science and Tech Juniors can tutor and help you reach your goals. These 11th grade S.T.A.R. Members have taken or are currently taking the same courses and want to help YOU Succeed.

All Science and Technology Students are welcome!

Tutoring sessions are held every **THURSDAY** at 8:30-9:15am in the First Floor Classrooms.

Courses Offered: *Chemistry, Biology, Geometry, Physics and Algebra 2/ Trig*

SCIENCE AND TECHNOLOGY MURAL CONTEST

The members of S.T.A.R. will like to update the Science and Technology Lecture hall by...

-Updating the show-cases with current projects

-Having National Honor Society (NHS) Paint a mural on the left side of the S/T (First floor) Lecture Hall

This mural design contest involves students creating and drawing their ideas of what the mural should consist of.

The contest will end the very last day of February.

Winner will receive a trophy!

A contest between all S/T grade levels will be held for the design of the mural!

Stop By Mr.Scery's office to receive a template.
