

Meyerhoff Scholarship Program

Invitation to UMBC Visit Days

Dates:

October 13, 2008
November 10, 2008
December 5, 2008

Purpose:

Provide a preview to the UMBC. Allow prospective students to shadow current scholars in classes, research labs, and participate in student panel discussions and staff presentations.

Congratulations on your nomination to the Meyerhoff Scholarship Program at the University of Maryland, Baltimore County (UMBC). Your nomination represents many years of academic success and tireless preparation for your college experience. To apply for the Meyerhoff program, you may **download the application at:**

http://www.umbc.edu/undergraduate/pdf/meyerhoff_app.pdf

Please note the application deadline date is December 1, 2008. If you need a paper copy of the application, please call 410-455-3139 and we will be happy to send one to you.

We also invite you to visit the campus and spend a day with current scholars attending classes, participating in student discussions, meeting with Meyerhoff staff and touring some of our premier research facilities. UMBC Visit Days are offered Monday, October 13; Monday, November 10; and Friday, December 5. **Please register through the Office of Undergraduate Admissions web site at <http://www.umbc.edu/undergraduate/visitdays.html> or call 410-455-2292.** Your time spent with us provides an opportunity for you to preview the program and hear from students that live the Meyerhoff experience daily. As you consider your choice of colleges and universities, finding the ideal fit to your academic and career aspirations is critical and this opportunity will enable you to make an informed decision about your future.

Once again, congratulations on your nomination and outstanding academic record. We look forward to seeing you on campus.

Best Wishes,

LaMont Toliver
Director
