

Congratulations go out to Erica Hatcher-Sellers and Erika Jackson for a job well done. This past Saturday, April 19th, they competed in the Maryland Engineering Competition: The Cargo Plan Challenge in Baltimore, Maryland. The competitors were tough, but in the end they proved to be the best. **THEY WON 1ST PLACE!** Best wishes go out to Mrs. Victoria Lee, who was their mentor for this Science and Technology project. Excellent success from all your hard work done!
