Attendance is an important aspect of your education at Gwynn Park High School. In accordance with Prince George's County Public Schools' Administrative Procedure 5113, *Pupil Attendance and Absence*, "five (5) days of unlawful absence per semester in a semester course, or ten (10) of unlawful absence per year in a full year course shall result in not grade ("N") for a course. Additionally, students will receive a zero (0) for all work done on the day of an unexcused absence and will not be given the opportunity to make up work missed because of an absence.

When absent, a student has two (2) days in which to bring in a note that excuses him/her for the absence. After that time, the absence becomes unexcused. The reason for the absence must be

stated in the note. This note must be given to the first period teacher who will issue an attendance form (PA-1) to the student. This form will denote whether the absence is lawful (excused) or unlawful (unexcused). It is the student's responsibility to present this attendance to each of his/her teachers.

According to Prince George's County Public Schools' Administrative Procedure 5121.2, Assessment and Grading for All Secondary Programs, "students who are considered lawfully absent from school will have the opportunity to make up missed work in a timely fashion (a maximum of three (3) days for each day's absence). Students who fail to complete missed work in a timely fashion will receive "zero" grades for those assignments."
