

Freak Dancing Memorandum-of-Understanding

Freak Dancing or any style of physical contact involving gyration will not be tolerated at Laurel High School. It is the understanding that the parent-guardian must sign, date, and return this Memorandum-of-Understanding before a ticket can be purchased. It is understood that any student found engaging in "Freak Dancing" will not be warned, but immediately removed from the dance without "REFUND". Student(s) will be detained in the office area and the parent/guardian will be contacted immediately.

This action is being taken to ensure decency and respect for our students as they become responsible young adults.
