

Welcome to the Partners for Success Parent Center located in the Judy Hoyer Family Learning Center in Adelphi.

Partners for Success Parent Centers, established as part of each local school system in Maryland, have as their goal the provision of knowledge and the development of essential skills fundamental to parents and professionals working together as equal partners in the educational decision making process. Specifically, **Partners for Success Resource Centers** seek to:

- increase parental involvement in the educational decision making process
- provide information and resources about disabilities and community services
- assist families in resolving concerns and in making informed decisions regarding their child's education
- increase collaborative relationships through information and training

Partners for Success Resource Centers promotes partnerships and parent involvement in special education by offering the following:

- An Information and Referral Center - to answer your questions
- A Lending Library - resources available for you to borrow

and;

- **Training:** Workshops are offered on a regular basis, for a course description, please contact the Parent Center. For dates and times see [workshop calendar](#) or contact us at 301-431-5675. All workshops require that you pre-register.
