GET READY FOR THE HSA!

Starting in 2009, students must pass all four High School Assessment tests in Algebra, English, Biology and Government or obtain a combined score of 1602 to receive a high school diploma. Prince George's County Public Schools has many resources available to support students. For more information, visit www.pgcps.org.

MALE MENTORS NEEDED

The Board of Education is seeking male mentors for PGCPS students. The BOE and Student Services are hosting Mentor Orientation sessions Wednesday, December 3rd at 6:30p.m., and Wednesday, December 17th at 6:30p.m. For more information, contact Judith James, executive director of the Board of Education, at 301-952-6333 or visit the web at www.pgcps.org.

THE FEEL GOOD EXPO

Prince Georgians learned how to feel good at the 4th annual Holiday Food & Fitness Expo at the Community College's Largo Student Center. Exercise instruction, nutrition advice, and flu shots made for a very healthy day for students and adults alike.

SCIENCE BOWL

Channel 96/38 gives you a front row seat this week as Hyattsville plays Walker Mill and Charles Carroll competes against Thomas Johnson in this elementary school edition of Science Bowl.

COUNT ON US MATH SHOW

Watch "Count on Us" the live mathematics homework help-line television call-in show from 4-6 p.m. on Comcast Channel 96 and Verizon channel 38. The show airs Mondays and Wednesdays. Students can call 301-772-0080 or e-mail their math questions to PGCPS teachers at cou@pgcps.org. For more information visit www.pgcps.org.

OCTOBER SURPRISES

Unlike the "October surprises" common to political seasons, it was no surprise at all that Prince George's schools had a very busy month. Watch the celebrations of "Men Make a Difference Day" and Hispanic Heritage Month; an otherworldly conversation between students and an orbiting astronaut; and a surprise scholarship for a student at Bladensburg HS.

SAT PREP HIGH SCHOOL ASSESSMENT PREP

Prince George's County Public Schools gets you ready for the SAT. Improve your scores by learning to work the types of problems on the test. Teachers also prep students for the High School Assessment (HSA). Beginning 2009, passing the HSA will be a graduation requirement. Prep around the clock only on TV 96.

Turn to TV 96/38 or visit the school system website at www.pgcps.org for the latest information about bus delays, weather, and emergency closings. For more information, contact Robin Breedon and other members of Telly award-winning PGCPS TV 96/38 and Web staff at (301) 386-1619.
