

Frequently Asked Questions

What does the PTA do?

The PTA helps parents and teachers work together on issues important to our community. We support teaching and learning at Princeton Elementary School by providing funding for classroom enrichment, school supplies, and playground/grounds improvement. We also work with Princeton to sponsor events throughout the year such as Community Day (in partnership with the American Red Cross), Scholastic book fairs, cultural programs, school dances, reading night and much more! The goal is for the whole family can come and have a good time! All of these efforts require parent involvement, so your participation makes a difference.

When are PTA Meetings scheduled?

PTA meetings are held the first Tuesday of every month at 6:30pm in the Multipurpose Room excluding January and April.

Can I join even if I cannot attend meetings?

Yes. PTA meetings are a good way for parents to interact. However, there are lots of ways to be active in the PTA without attending monthly meetings. Many activities and events sponsored by the PTA are planned by phone and e-mail. Announcements for volunteers for a particular event will be sent home with your child. To stay informed about PTA meetings, activities and events please join the PTA list serve. Ask a member of the executive committee how to join.
