Good morning parents!

I wanted to take a moment to formally introduce myself. My name is Ms. Drummond and I am your Parent Liaison. I am extremely excited about officially joining the staff at Suitland High School. I look forward to meeting and working with each of you during the upcoming year. There is much to do and I am anticipating a successful school enriched with parental support.

For those who may be unfamiliar with the Parent Liaison position, allow me to give you a brief overview of my job. I am here to assist you with all of the following:

- navigating the school system
- understanding school policies and procedures
- giving you access to SchoolMAX
- mediating concerns between parents and the school
- finding resources for you and your student(s)
- providing you with informative workshops
- referrals to community services such as mentoring & tutoring
- scheduling ILP's (Individual Learning Plan)

As the parent of a Suitland High School VPA & IB student, I understand the various demands on your time. It is difficult to balance the demands of home and work. It is a daily challenge to complete the tasks for the day. However, I urge you to not allow the task that goes undone to be following up with the school. There are many ways that you can make a difference in the educational and cultural enrichment of our children. Please do not hesitate to contact me to discuss both traditional and non-traditional ways that you can donate your time and talents to the children in our community. Again, I look forward to meeting and working with each of you!

Best regards,

Ms. Drummond
