

University Park Elementary School

Giant Food A+ BONUSBUCKS

- A+ BONUSBUCKS are points that accrue with each purchase using the BONUSCARD. At the end of each month, the A+ BONUSBUCKS are used in a calculation to determine your school's cash total, which, then, is automatically credited to your school's account. Customers can designate a school(s) (up to three) to benefit from the A+ BONUSBUCKS that accrue.

- You do have to designate your school every year. Kids transfer or graduate from schools every year. Therefore, we clear out all of the designations in our system at the end of the program each year to ensure that the correct school gets your points.
- After signing up for the BONUSCARD, customers can complete a School Designation form by filling in the desired number of schools (up to three) to benefit from the program. School Designation forms can be found on-line, or at any Giant or Super G store. University Park Elementary School's number is 00594.
- To earn Extra Credit for your school, just look for specially marked Extra Credit items. With each Extra Credit purchase using the BONUSCARD, you can earn an extra 50 A+ BONUSBUCKS.
