

John E. Deasy, Ph.D.  
Superintendent of Schools

August 24, 2007

Dear Parents,

The Division of Student Services has partnered with the Prince George's County's Health Department to **provide a systemic approach for immunizations compliance allowing students to be immunized.** Our Pupil Personnel Workers and Parent Liaisons will reach you by phone or by memorandum to gain a signed consent form from you. This form will give permission for your child (ren) to receive the needed vaccinations and to be transported to and from the designated immunization sites. **All forms should be signed and returned to school by Thursday, August 29, 2007. Forms forwarded to the school should include the consent form and the vaccination record.**

**With this permission, your child will be vaccinated on one of the scheduled days between 9:30am – 1:30pm from September 5<sup>th</sup> – 14<sup>th</sup>, 2007.** The Transportation Department will transport your child to the immunization sites and back to their schools. Your child will be transported and vaccinated at the following sites for the region in which you live. A Prince George's County Public Schools employee will accompany them to the designated location. Please ensure your child is in attendance the day your region is scheduled for vaccinations. The schedules for immunizations per region are as follows:

<u>Date</u>	<u>Site/School for Immunization</u>	<u>Region</u>
September 5 <sup>th</sup>	Suitland Wellness Center	3& 4
September 10 <sup>th</sup>	Oxon Hill High School	1
September 11 <sup>th</sup>	Bladensburg High School and Fairmont Heights	2
September 12 <sup>th</sup>	Northwestern High School	5

As always, your support is needed to make this effort successful. It is the priority of our school district to partner with you to avoid potential barriers to learning and to keep all students engaged in school. If you have any questions, please contact your child's school. **Please take advantage of this opportunity offered to you and your family.**

Sincerely,  
John E. Deasy, Ph.D.
