August 20, 2020

Greetings Benjamin D. Foulois School Community,

It is with great honor and privilege that I write this letter of introduction as the assigned middle school Assistant Principal. I am coming from William Hall Academy, where I served as the assistant principal over middle school for the past 4 years. I am a product of the Prince George's County Schools and have been dedicated to the PGCPS community over 18 years. I have worked with a range of students, from Kindergarten through high school. However, the bulk of my service has been in the K - 8 setting.

I am honored for the opportunity to serve at Benjamin D. Foulois, with a rich tradition of educating students with an artistic focus. The thought of serving here brings back fond memories of my 10 year service at Thomas G. Pullen Creative and Performing Arts Academy (2004 - 2014). I have an affinity for the arts and I am excited and eager to work with you as a partner in education to ensure that our students are provided the tools necessary to succeed.

Along with the teachers and staff, I will work to continue in our pursuit of excellence while building strong relationships with our students, parents, and community partners. It is important to me that everyone who is a part of our school is “Empowered, Encouraged, & Enabled” to tap into their full potential.

I deeply believe we all want the best for our students. With a strong partnership, focused on what we can do in the best interest of students' development in becoming agents of positive change in our society, the “Best is yet to Come”!

I am excited about the opportunities for us to grow together this school year! Although, we are starting school virtually and face a pandemic that keeps us from being in the school building, we will get through it all, together! Life may have thrown us a lemon, but let us make lemonade! “United We Stand, Divided We Fall!”

I look forward to working with you as a team to help each student grow, meet their goals and have a successful school year!

Sincerely,

John  H. Agnew Jr
Assistant Principal, MS
