Dear Parents/Guardians:

The Green Valley Academy, Student Enrollment Contract, provides guidelines and procedures governing student conduct and expectations while attending Green Valley Academy @ Edgar Allan Poe Alternative School. These expectations, guidelines and standards have been explained to you and your child during the interview process. It will also be reviewed during orientation, parent nights and student assemblies.

It was discussed that your student applied to this program because he/she was not experiencing success in some aspect of their previous school experience and agreed that a more structured environment would be prudent to their academic success. Parts of this structured environment involved following a very strict dress code policy and complying with all rules and regulations during their tenure at Green Valley Academy.

In order to maintain both a focus on academics and behaviors, the staff and administration will continually review our policies and procedures with your student. These policies and procedures will be re-introduced to your student during assemblies and a.m. announcements. Please review our policies and procedures with your student and ensure that the student understands that there will be consequences when any of these policies are violated. When the Student Enrollment Contract is violated, Green Valley Academy Staff and Administration will be expected to implement disciplinary measures to correct your student's behavior, which may include suspension or withdrawal from the program. If the student is removed or withdrawn from the program, he/she will revert back to their status prior to enrolling which may include returning to expulsion, long-term suspension or transfer. Please feel free to contact the administrative staff if you have any questions.

Thank you for your continued support in your student's success and the Green Valley @ Edgar Allan Poe Administration and staff.

Sincerely,

Nathan Newman,
Principal
