I. **PURPOSE:** To establish procedures for the recruitment, screening, orientation, utilization, and recognition of volunteers in the Prince George’s County Public School System and to establish the process for annual evaluations of the site-based and system-wide volunteer programs.

II. **POLICY:**

As outlined in Board Policy 0106, the Board of Education recognizes the necessity and value of successfully engaging community volunteers to provide time and general support that enriches the educational program in each of our schools and assists with individual student achievement.

The Board of Education directed the Chief Executive Officer to update this Procedure to enhance student protection and improve community involvement by strengthening protocols for the recruitment, screening and utilization of volunteers at our schools.

III. **DEFINITIONS:**

A. IV. PROCEDURES/GUIDELINES:

A. Volunteer Recruitment:

School principals, site administrators, site-based volunteer coordinators, staff members, school-based management teams, parent teacher organizations, and representatives of the business, civic, and religious communities are encouraged to identify current volunteer needs and assist with the recruitment of volunteers.

Volunteer types include:

- Parent, Family or Community Member
- Current or Former Employee
- Partner Support
- Student Community Service

B. Volunteer Screening:

1. Background Checks - One-Time Volunteers at a School Event:

   a. Volunteers do not have to complete a fingerprint background check, CPS clearance check and SafeSchools training requirements if they are volunteering on campus only one time in a school year for an event, such as parents volunteering for career day, book fairs, school dances, etc.

   b. While volunteering at the school for the event, volunteers must be escorted and under the supervision of a PGCPS employee at all times. Student escorts may not be provided.

   c. Volunteers under this section who are exempted from completing the background check and training requirements above must still provide a copy of their government issued identification to be scanned into the Raptor Visitor Management System, as required by Administrative Procedure 0500, when visiting school.
If a volunteer wishes to assist with more than one event at a school during the school year, the individual must complete the background check and training requirements below.

2. Background checks – Individuals Volunteering More Than One Time in a School Year:

a. As outlined in Administrative Procedure 4215, Criminal History Records Check, all volunteers – including those who serve as field trip chaperones, mentors, interns, tutors, concession stand workers, gate receipt workers, etc. - must undergo a fingerprint background check and child protective services (CPS) clearance at least 15 business days in advance of the volunteer activity, unless the exception below applies.

b. Fingerprint background checks must be initiated through the PGCPS Fingerprinting Office before performing duties and CPS clearances initiated through the Human Resources Employee Services Center.

c. The prospective volunteer must provide a copy of the stamped background check receipt to the school office for record keeping and audit purposes. Each school must maintain a copy of the stamped background check receipts for an approved volunteer.

d. If a prospective volunteer is known to be a former employee of PGCPS, the school principal or site manager must first communicate with and receive approval from the Human Resources Office that the former employee is eligible to be a volunteer.

e. The prospective volunteer must complete the required SafeSchools training modules, including the Prince George’s County Child Abuse: Mandatory Reporting. Upon completion of the modules, the prospective volunteer must submit the certificates of completion for each training module completed to the Site-based volunteer coordinator or the principal.

f. Any parent/guardian who needs assistance covering the cost of a fingerprint background check, and whose child(ren) qualify for
free and reduced priced meals, may request a waiver of the back-
ground check fee by providing a copy of their eligibility letter
from the PGCPS Department of Food and Nutrition Services to
the Fingerprinting Office.

3. Background checks – Partner Support Volunteer(s)

   a. An individual or group that wants to provide volunteer services
      at local school or site through affiliation with a partner
      organization or business must be approved by the Office of
      Partnerships and Development and is considered a Partner
      Support volunteer(s).

   b. Fingerprint background checks for all Partner Volunteers must
      be initiated through the PGCPS Fingerprinting Office and CPS
      clearances initiated through the Human Resources Employee
      Services Center.

   c. The Partner volunteer must complete the required SafeSchools
      training modules, including the Prince George’s County Child
      Abuse: Mandatory Reporting.

   d. The background check receipts and the certificates of completion
      for each training module completed by the Partner volunteer
      must be submitted to the Office of Partnerships and Development
      for approval of the Partnership. A Partner volunteer is not
      allowed to volunteer in a school until the Office of Partnerships
      and Development has approved the Partnership and the school
      has received the documented approval of the Partnership.

4. Exceptions:

   a. Volunteers do not have to complete a fingerprint background
      check, CPS clearance check and SafeSchools training
      requirements if they are volunteering on campus only one time
      in a school year for an event, as provided under B.1.

   b. Current employees who have undergone a fingerprint
      background check may attend field trips by providing a copy of
      their work ID in lieu of completing a new background check.
      However, school staff must check if the PGCPS Employee
Directory contains the employee’s name and run the employee’s name through the Raptor system.

C. **Ineligibility**

1. As a general guideline, if volunteers have charges, convictions, or concerns that would render them ineligible for employment by PGCPS, they would also not be eligible to serve as a volunteer. PGCPS will not knowingly approve or retain any individual to serve as a volunteer if the individual:

3. In the event that PGCPS Human Resources determines there is a pending charge, conviction, or other concern disclosed through a background check or child protective service clearance, the respective office shall immediately notify the Chief of Human Resources of the charge, conviction, or concern.
