BACKGROUND:

The Prince George’s County Public Schools’ Department of Science is hosting the
20th Annual “Kids for Science” Science, Technology, Engineering, and Mathematics
(STEM) Fair on Saturday, May 15 at Eleanor Roosevelt High School in Greenbelt.

Students in grades four through six have been selected to participate as a result of
winning local school science fairs. Displayed projects will be judged on-site during the
event.

The fair will culminate with an awards ceremony to recognize outstanding projects.
Students will be presented with plaques and awards donated by event sponsors
including telescopes, computers, microscopes, savings bonds, and more.

The exhibits are open to the public from 2:30 – 3:15 p.m. on the day of the event.
