

# School Performance Plan At-a-Glance

## Executive Summary

### SY24-25

#### Introduction

In alignment with the goals and priorities of Prince George's County Public Schools (PGCPS), the School Performance Plan (SPP) allows for a transparent and collaborative school improvement process with a focus on student achievement.

The School Performance Plan was developed this school year as the continuation of the detailed work and planning completed in the previous school year. The SPP focuses schools on engaging in disciplined inquiry cycles through the use of Plan, Do, Study, Act. Through the successful utilization of Plan, Do, Study, Act, schools are able to plan, assess, and study school improvement actions to impact student achievement and teacher practice.

<b>1-Math</b> By June 2025, the percentage of students who score proficient or distinguished will increase by 5 percentage points on the Math MCAP. This requires 159 of 1057 tested students to score in this range.	Implementation of accountable talk stems for discourse and Think Pair Share in math classrooms.
<b>2-English Language Development</b> By February 2025, the percentage of ML students that meet their Growth-to-Target goals will increase from 10% to at least 15% (26 students out of 173).	Implementation of sentence starters & frames along with explicit vocabulary instruction across content areas.
<b>3-Wholeness</b> By June 2025, the earned score on the Maryland School Survey will increase to 5.5 out of 7 points. This requires an average teacher score on the Maryland School Survey to increase by 0.5 points.	WMMS will increase the number of informal walkthroughs and provide teachers with immediate instructional feedback consistently.
<b>Additional Targeted Support and Improvement (ATSI) Intervention (If applicable)</b>	
SPED classrooms will implement the usage of Frayer models to assist students in understanding the definition of academic vocabulary. Frayer models will provide students with a structure to build connections with an academic vocabulary word by exploring characteristics of the word and examples/non examples.
