

Prince George's County Public Schools

November 2025 | Capital Improvement Project Status Update

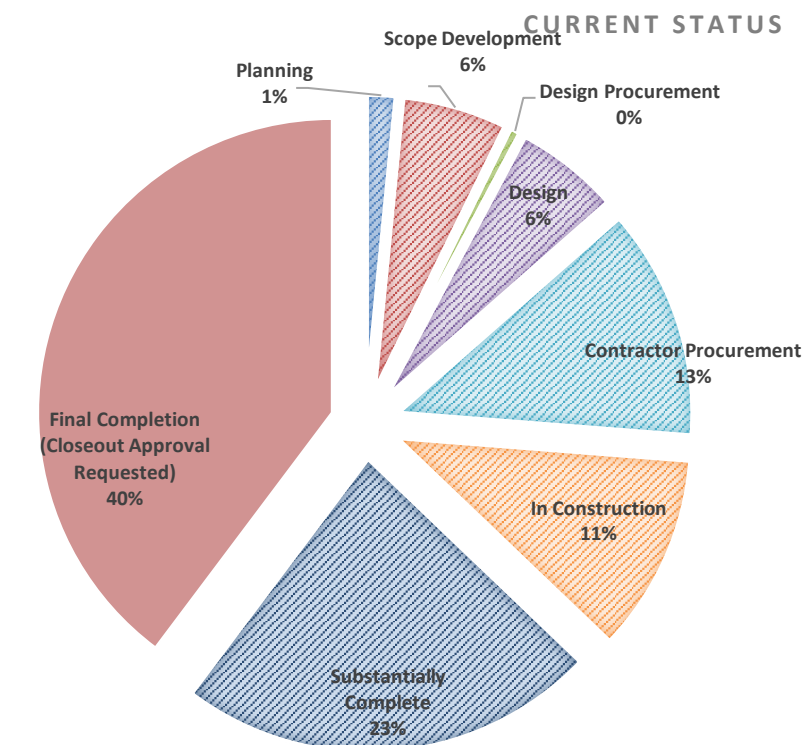

ACTIVE PROJECTS BY THE NUMBERS

ACTIVE PROJECT STATUSES

- Planning** - Project plans are documented, the project deliverables and requirements are defined with stakeholders and reviewing agencies, and the project schedule is created.
- Scope Development** - A comprehensive scope suitable for design or design-build procurement is being developed for the approved project.
- Design Procurement** - Services are being solicited for architectural/engineering services to complete design documents.
- Design** - Project is being designed by the Architect/Engineer and going through the necessary review & approval processes.
- Contractor Procurement** - Construction services are being solicited.
- In Construction** - The construction work is awarded to a Contractor and preconstruction (e.g., material ordering) and/or active construction is underway.
- Substantial Completion** - Construction work is sufficiently completed with all requisite inspections & approvals obtained for use and/or occupancy.
- Final Completion (Closeout Approval Requested)** - Project manager has fully accepted contract work AND punchlist/corrective work is 100% complete; any required trade permits/inspections are 100% approved; applicable operating manuals, as-builts & warranty information are on hand; and, final payment is approved.

PROJECT PHASES

Planning - Project plans are documented, the project deliverables and requirements are defined with stakeholders and reviewing agencies, and the project schedule is created.

Scope Development - A comprehensive scope suitable for design or design-build procurement is being developed for the approved project.

Design Procurement - Services are being solicited for architectural/engineering services to complete design documents.

Design - Project is being designed by the Architect/Engineer and going through the necessary review & approval processes.

Contractor Procurement - Construction services are being solicited.

In Construction - The construction work is awarded to a Contractor and preconstruction (e.g., material ordering) and/or active construction is underway.

Substantial Completion - Construction work is sufficiently completed with all requisite inspections & approvals obtained for use and/or occupancy.

Final Completion (Closeout Approval Requested) - Project manager has fully accepted contract work **AND** punchlist/corrective work is 100% complete; any required trade permits/inspections are 100% approved; applicable operating manuals, as-builts & warranty information are on hand; and, final payment is approved.

Completed & Closed - Project is 100% complete and closeout approval is confirmed by the Fiscal Analyst.

Pending PM Assignment - Project is awaiting completion of the formal PM assignment process.

Cancelled - Projects in this category have been officially cancelled with requisite governing bodies/approving agencies.

On Hold - Projects in this category are On Hold until resolution to budget or scope constraints is identified and supplemental funding or formal cancellation is fully approved.
