N/A

Priorities and Opportunities

Rigorous,
Community-Connected
Classroom Instruction and
Expanded, Enriched
Learning Opportunities

Rosaryville Elementary School can establish accessible after-school and enriched learning programs to meet strong demand from staff and families, while providing targeted academic and developmental support for students all students.

Collaborative Leadership,
Shared Power, and Voice

While families and staff actively participate in school activities, there is an opportunity to deepen shared power. Rosaryville can strengthen its Parent-Teacher Organization (PTO) and empower families and students to collaborate with staff in shaping school priorities and initiatives.

Integrated Systems
of Support

Addressing ongoing medical, dental, and mental health needs requires bridging the awareness gap for families. Expanding health partnerships and improving support communications will make essential care more accessible to all students.

Culture of Belonging,
Safety, and Care

Students and families feel welcomed and find school events fully inclusive of all student needs. Building stronger staff-student connections will further enhance emotional safety and trust across the school community.

Powerful Student and
Family Engagement

Family event participation at Rosaryville ES is steady, but leadership representation across diverse groups can grow. Expanding targeted outreach and offering flexible engagement options will empower more families to partner with staff in shaping school decisions.
