56.8% of staff indicated the school community needs more support related to food security

Community Feedback

N/A

	Priorities and Opportunities
Rigorous, Community-Connected Classroom Instruction and Expanded, Enriched Learning Opportunities	Expand and increase learning opportunities with culturally relevant curriculum. Increase Community Partners to enhance wrap around services and student experiences that will improve overall student performance.
Collaborative Leadership, Shared Power, and Voice	Improve parent and family engagement that includes input in the schools leadership organizations. This includes families and partners in decision-making processes. Have Community Partners to play a more active role with sharing leadership resources and their expertise.
Integrated Systems of Support	Increase access to on-site mental health, dental, vision and food services. Also increase awareness of supports.
Culture of Belonging, Safety, and Care	Continue implementing inclusive practices. Allow student voice to assess and improve school culture. Continue to build partners and relationships with local police to improve safety and care for overall student and family security.
Powerful Student and Family Engagement	Continue to utilize ClassDojo as a main form of communication with families. Promote opportunities for families to engage in school matters.
