Week 2  📚 Read

LEVELED BOOK • C
Making Salsa!

Written by Ava G. Kalisch  •  Illustrated by Tad Butler

www.readinga-z.com

1

In goes the tomato.  2
In goes the onion.

In go the peppers.
In goes the lemon juice.

In goes the cilantro.
In goes the salt.

I mix the salsa.
We eat chips and salsa!
Week 2 Family Activities

Read It Make It

- Try to make the salsa recipe together
- Cook a meal together
- Talk about the ingredients and steps

Eating Plant Parts

- Together search your kitchen for fruits and vegetables.
- Look for different parts:
  - Carrots and onions are roots
  - Broccoli tops are flowers
  - Lettuce are leaves
  - Beans and peas are seeds
  - Celery are stems
  - Bananas and tomatoes are fruit
- Talk about plant parts as you eat together
Cut and glue the animals to their habitats.
Week 2 Social Studies

📝 Draw a line to the picture that goes with the job.
**Week 2 Family Activity**

- Draw and label the jobs in your family.

How Frogs Grow

A frog lays eggs in water.
3 Tadpoles come out of the eggs.

4 The tadpoles are now froglets.
The froglets grow and grow. Their tails get smaller and smaller.

The froglets are now frogs.
Week 3 Science

- Eggs
- Grow
- Tail
- Froglet
- Frog
- Tadpole
- Legs
- Lay
Week 3 Science

Cut and glue the pictures from the bottom of page 26 for how a frog grows.

Trace the sequence words.

Label the pictures

| frog | tadpole | eggs | froglet | ___ |

1.   2.   

first   next

eggs

3.   4.   

then   last

-----------------------------------  -----------------------------------
Week 3 Social Studies

Trace the words.

fire  treats  helps  dentist

<table>

<td>A firefighter puts out <strong>f</strong>.</td>
</tr>
<tr>
<td><img src="image4.png" alt="Image" /></td>
<td>A teacher <strong>h</strong> students.</td>
</tr>
</tbody>
</table>
Week 3 Family Activity

Cut out the movement cards.
Pick a card and do the movements together.

- Hop like a bunny
- Flutter like a butterfly
- Sprout like a plant
- Buzz like a bee
- Swim at the beach
- Walk like a crab
Week 3 Math
Count and draw a line to the number.
I Love the Earth

Written by Beverly Osborn
www.readingo-z.com

I love the tall trees.
I love the long rivers.

I love the high mountains.
I love the big oceans.

I love the Earth.
Week 4 Science

- river
- hill
- Earth
- ocean
- forest
- desert
- pond
- lake
- reuse
  - to use more than once, especially to conserve natural resources (verb)
- recycle
  - to put used items through a special process so they can be used again or in a new form (verb)
Week 4 Science

Trace the word that describes the picture.

air

water

land

pollution

recycle
Complete the sentences.

I love the long **rivers**.
I love the green **hills**.
I love the dry **deserts**.
I love the big **oceans**.
I love the **Earth**.
Week 4 Family Activity
Create something new from old boxes and recycled materials.

Draw a picture of what you build together.
Write the missing number on the number bond.
