Notification of Probable Head Iujury								
Dear Parent:	•							
Based on our observations and/or incident described below, we believe your son/daughter exhibited signs and symptoms of a concussion while participating in Since your son/ daughter has not been evaluated by a physician at school, it is important that you seek a physician's care as soon as possible.								
It is important to recognize that blows to the head can cause a variety of injuries other than concussions (e.g., neck injuries, more serious brain injuries). Please be sure to see your doctor as soon as possible for any other medical concerns.
