**-30-**

Prince George's County Public Schools (PGCPS), one of the nation's 20th largest school districts, has 201 schools and centers, more than 133,000 students and nearly 20,000 employees. The school system serves a diverse student population from urban, suburban and rural communities located in the Washington, DC suburbs. PGCPS is nationally recognized for college and career-readiness programs that provide students with unique learning opportunities, including dual enrollment and language immersion.
