[communications@pgcps.org](mailto:communications@pgcps.org) (<mailto:communications@pgcps.org>)

**WHO:** MdBio Foundation, Inc. Oxon Hill High School

**WHAT:** MdBioLab Visit

**WHEN:** Tuesday, April 5, 2016 - Friday, April 8, 2016

**WHERE:** Oxon Hill High School

6701 Leyte Drive • Oxon Hill, MD

**BACKGROUND:**

As part of MdBio Foundation Inc., strategy to increase student interest in science, technology, engineering and math (STEM) careers, the Foundation's mobile laboratory program - MdBioLab will visit the students of Oxon Hill High School for four days. The custom-built mobile laboratory will provide students with an opportunity to participate in innovative STEM education science experiments to encourage STEM awareness and workforce development. Students will participate in authentic STEM-based career experiences to observe the types of careers they can pursue in STEM, and to increase student experience and confidence with laboratory concepts and techniques. Media interested in attending should contact the Office of Communications at 301-952-6001.
