A Parent's Guide

I have completed registration for a referral to be sent.

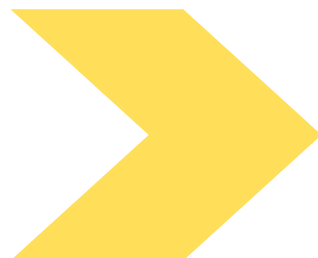

An IEP Meeting will be held within **30 days** of the team receiving the referral.

At the IEP Meeting, the team determined assessments are needed (based on referral information).

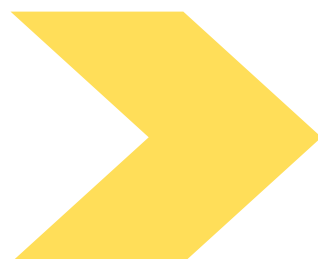

The team will have **60 days** from the date of consent to administer and review assessments.

The team reviewed assessments and determined eligibility.

The team will have **30 days** to draft an IEP based on student need.

The team has reviewed the draft IEP.

The parent must accept or decline the draft IEP.
