

Meet the PSC

Professional School Counselor

Mrs. Shalena Hooper, MA.Ed

GET TO KNOW ME

Hello, my name is Shalena Hooper. I am the assigned 6th grade Professional School Counselor (PSC) of the Upper School at Colin Powell Academy. Although, I am new to the middle school side of counseling, I can assure you that I am a "seasoned" with over 20 years of professional counseling experience. I also acquire an Administrative I Certification that I can use towards Assistant Principal leadership positions. Providing mental health services to children, adolescents, adults and families are also responsibilities that I assume. In this capacity, I have over 10 years of experience.

You will quickly observe that I have a deep love and compassion towards children and people overall. I am committed to the helping profession and take my role and responsibilities very seriously. I strongly believe in respect and partnership with our parents. Your children are my children, together, we are a family. With that being said, I want to ensure you that I will care for your children as deeply and strongly, as you!

WHAT I ❤️

I especially love spending time with my family, to include my husband, (2) daughters, mother, sisters, brother, nieces, nephews, cousins and extended family. I also love hanging out with my childhood girlfriend besties; traveling; going to restaurants; watching and going out to the movies, cooking, playing games, hosting and entertaining guests; dancing; singing; going to church, and being silly. I especially love children, teenagers, and people overall!
