Good morning WHA Community,

I am sending this letter to let you know that I have been asked to support the PGCPS community in another role for the upcoming SY 23-24. During the past school year, I have learned a great deal and truly appreciate my time here at WHA. I will miss working the students and supporting the community. This school community has so much to offer and I will miss it greatly. While I will miss everyone, I know that WHA will continue to grow and provide each student with the best! Have a great rest of the summer and best of luck in the 23-24 SY!

Sincerely,

Mrs. Jennifer Gerwig
