

1ST GRADE

LEGO DISCOVERY CENTER

FIELD TRIP RECAP!

Our 1st graders had an **AMAZING** time at the LEGO Discovery Center!

Students explored, built, created, and collaborated while learning through play.

STEM PURPOSE (1ST GRADE)

Students used STEM skills to:

- ✓ Ask questions
- ✓ Plan and build structures
- ✓ Solve problems
- ✓ Test and improve designs
- ✓ Work together as a team

Engineering, creativity, and teamwork in action!

Not only did students enjoy the trip, they also enjoyed the ride there and back! 🎵

Laughter, friends, and fun made the commute part of the adventure! ❤️

IMPORTANT REMINDERS

WEAR YOUR UNIFORM DAILY

Wearing our uniform shows pride in our school and helps us feel ready to learn every day!

RESPECT TO PEERS AND ADULTS

- ♥ Be kind
- ♥ Use polite words
- ♥ Listen when others talk
- ♥ Follow directions the first time

CLASSROOM & HALLWAY EXPECTATIONS

- ★ Walk quietly in the hall
- ★ Keep hands and feet to yourself
- ★ Listen and follow instructions
- ★ Keep our school clean and safe

UPCOMING FIELD TRIP! SKATE ZONE

Get ready for a day of skating, fun, and awesome memories!

THURSDAY, APRIL 30TH, 2026

FIRST GRADE

ELA

NEWSLETTER

Look at what we are learning!

READING

- Retell stories & describe characters
- Answer questions using details
- Learn lessons from stories

PHONICS

- Practice sounds & spelling
- Read "heart words"
- Build new words

WRITING

- Share opinions + reasons
- Fix and improve writing
- Use capitals & punctuation

GRAMMAR

- Use *and*, *but*, or
- Write strong sentences

SPEAKING & LISTENING

- Take turns
- Share ideas
- Ask and answer questions

BIG IDEAS

- ★ Stories teach lessons
- ★ Good readers use details
- ★ Good writers explain their thinking
- ★ Kindness and helping others matter

AT HOME

-  Read together for 10 minutes every night!
-  Ask: "What was the lesson of the story?"
-  Encourage your child to share their opinion and explain why!

THANK YOU FOR YOUR SUPPORT!

Together, we help our first graders grow! 

1ST GRADE MATH • HEALTH • SCIENCE

NEWSLETTER

Look at what we are learning! 

MATH

We are understanding challenging word problems and solving them using different math strategies!

- ✓ Make a Ten Strategy
- ✓ Count-On
- ✓ Draw a Picture
- ✓ Use a Double-Ten Frame

We are also deep diving in small groups preparing for our last math benchmark of the year!

SCIENCE

We are learning about **light in motion** and how **shadows** are created.

Students will be conducting several investigations around the study of light in motion!

Light
in Motion

Objects
Move

Shadows
are Created

HEALTH

We are learning how to take care of ourselves and our community!

Explains
the signs
of illness

Defining germs
and how they
spread

Behaviors
that make us
feel better

Practicing ways to
keep our community
clean

HOW YOU CAN HELP AT HOME

Read and solve word problems together.

Talk about light and shadows you see at home.

Encourage healthy habits like hand washing.

Model and practice keeping our home and community clean!
