

# WHAT'S ON?

## JANUARY NEWSLETTER

Welcome back from the winter break! We are getting underway with DIBELS, Math Benchmark, and ELD testing. Please make sure students are arriving on time (9:15 am) so they can eat breakfast. If late breakfast will still be provided. Please make sure students are in a COMPLETE uniform. A volunteer sign-up sheet for field trips will go out this week. We encourage you to sign-up.

## MATH

We are working on measurement and telling time. Students are learning to use different tools as measurement. Students are learning to tell time by the minute, half-hour, and quarter.

## LITERACY

We are working on finding the main topic, key details, connections between ideas, and reasons an author gives. We are also working on writing and revising an informative piece of written work.

## REMINDERS

**1/26/2026 3-HR EARLY  
DISMISSAL**

**1/22/2026 SCIENCE NIGHT**

## SOCIAL STUDIES

We are learning why  
celebrate special days.

# WHAT'S ON?

## SCIENCE

### SCIENCE

We are learning about animals and their offspring. We are learning the similarities and differences between animals and their offspring.

## HEALTH

We are learning ways that we talk and listen. This includes communication skills, listening skills, different ways people communicate, and sharing your feelings with a trusted adult

## TEACHER CONTACTS

**BREANNE.WILLIAMS@PGCPS.ORG**  
**DIANNE.BROWN@PGCPS.ORG**  
**TANESHA.WIGGINS@PGCPS.ORG**  
**JORDYN.SOBERS@PGCPS.ORG**

## LITERACY AT HOME

### Sight Word Hunt

Skills: Sight word recognition, reading fluency

Materials: Sticky notes, marker

How to Play:

- Write 5-10 sight words on sticky notes.
- Hide them around the room.
- The child finds a word, reads it aloud, and uses it in a sentence.
