WHAT'S GOING ON

The ELD Team continues to work with our ML students to complete ACCESS testing. There are 4 parts to the test, so please ensure your child is coming to school regularly so they are able to complete all 4 parts. Also, it is important that students get a good night's sleep so they are well rested before testing. Thank you  for your continued support!

CELEBRATING BLACK HISTORY

Black History Month is a time to learn about and celebrate the important contributions of Black people to our world. It helps us understand their history, struggles, and achievements. This month is a chance for families to come together, share stories, and teach children about the strength and creativity of Black individuals. By celebrating Black history, we can build a more caring and equal society for everyone.
