

FHS Library Mission Statement

The mission of the FHS library is to provide access to a collection of print and non-print resources that support the curriculum, reading enrichment and resource needs. An additional provision includes provision of access and opportunities to utilize technology.

Students will also receive instruction to develop computer literacy skills, information literacy and research evaluation skills.

According to the American Association of School Librarians, students who are information literate can:

- Inquire, think critically and gain knowledge;
- Draw conclusions, make informed decisions, apply knowledge to new situations and create new knowledge;

- Share knowledge and participate ethically and productively as members of our democratic society; and
- Pursue personal and aesthetic growth
