Dear Families,

I am writing to inform you about an incident at Charles Carroll Middle School.

Today our students and staff were evacuated at approximately 7:30 a.m. due to a strong odor of gas throughout the building. Once authorities cleared the building for return at approximately 8:45 a.m. the school day continued without interruption for students and staff.

The safety of our students is our top priority. If you have any questions or concerns, please contact 301-918-8640.

Thank you for your continued support.

Sincerely,

Dr. Arthur Williams
