Greetings Eagles,

**Welcome to another exciting year at Ernest Everett Just Middle School!
It is my pleasure to welcome both our returning families and those
joining the Eagle Family for the first time. We are excited to begin
another year of learning, growth, and achievement together.**

**At EEJMS, we believe every child has the potential to soar. As Eagles,
we are strong, resilient, respectful, and committed to excellence. Our
mission is to provide every student with a safe, engaging, and
supportive learning environment where they are challenged to achieve
their personal best.**

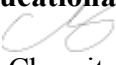

**Our number one priority this year is accelerating student achievement.
We are committed to providing rigorous instruction, using data to
personalize learning, and ensuring every student receives the support
and opportunities needed to succeed. At the same time, we remain
dedicated to educating the whole child by fostering a positive school
culture where students feel valued, connected, and inspired to lead.**

**We know that student success is strongest when schools and families
work together. Your partnership is essential, and we encourage you to
stay actively involved by monitoring your child's academic progress,
communicating regularly with teachers, and participating in school
events throughout the year.**

**We are confident that, together, we will make the 2026–2027 school year
our most successful yet. Thank you for entrusting us with your child's
education and for being an important part of the Eagle Family.**

Once an Eagle, Always an Eagle. Let's Soar Together!

Educationally yours,

Dr. Charnita Whitmyer , Principal
