September 26, 2022

Dear Parents / Guardians,

The 8th Grade Committee is in the process of planning the activities to celebrate our students moving to high school at the end of the year. We would like to hold a picnic, class trip and a special awards program to send them out in style. As we move throughout the year please continue to encourage your child to work hard and ask for help when needed. Families should check SchoolMax weekly to make sure that all assignments are completed and review current grades, attend conference opportunities and review progress reports and report cards when they are distributed.

Due to the nature of these activities students must be "In Good Standing" in their academics and behavior in order to participate. In addition, the awards ceremony will allow us to recognize "excellence" in various academic areas achieved by many of our students. Students will be invited to this event from a committee of teachers and administrators. The categories that students will be recognized in are: Academic Excellence and Most Improved in their core content and creative arts classes, Presidential Educational Excellence and Achievement, CEO's Award, Creative and Performing Arts Awards and Citizenship/A.C.E Recognition.

For those students who are promoted but not a part of the awards program, we wish them great success in the future and have enjoyed our time with them at Hyattsville Middle School.

If you have questions or concerns, please do not hesitate to contact Wendell Coleman, Assistant Principal, wendell.coleman@pgcps.org.

Sincerely,

Wendell Coleman
Assistant Principal
