September 2, 2026

Dear Families,

I am writing to inform you about an incident at Kenmoor Middle School..

Today, we received information about a threat of violence made by a student online via social media. Immediate action was taken by school administrators and local law enforcement to investigate and the threat was determined not to be credible. Although the threat was not credible, we want to clearly communicate with you about safety issues when they arise.

Providing students and staff with a safe, orderly environment is our top priority and all threats are taken seriously. I addressed all students to reinforce the importance of reporting safety concerns responsibly and reminded them that knowingly making false reports can have serious consequences.

Please set aside time to discuss this incident with your child. Remind them of the serious consequences that can result from online threats, which may result in serious disciplinary actions, such as suspension or expulsion. Please also encourage your child to report any threats or suspicious objects on school grounds to a staff member or trusted adult.

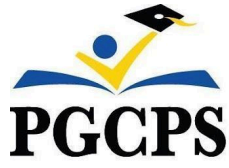

If you have any questions or concerns, please contact me via email at rebecca.turner@pgcps.org

Thank you for your continued support.

Sincerely,

Rebecca Turner

Rebecca Turner
