Dear Frances Fuchs Early Childhood School Community,

I am pleased to share an important leadership update with you. It is with great excitement that I announce the appointment of Ms. Shannon Spoto as the new Principal of Frances Fuchs Early Childhood Center, effective July 1, 2026.

Ms. Spoto is a leader with a deep commitment to early childhood, students with varying needs, and school communities. She brings experience in supporting teaching and learning, leading staff through the IEP process, and using data to drive results. I am confident that she will continue to build upon the strong foundation already established at Frances Fuchs ECC and will help move the school forward in meaningful ways. We recognize the outstanding work that has taken place at Frances Fuchs ECC, and we are excited for Ms. Spoto to partner with you to continue that trajectory of success.

There will be an opportunity for Ms. Spoto to meet and connect with staff and the school community before the start of the new school year. Additional details regarding these opportunities will be shared soon.

Please join me in extending a warm welcome to Ms. Spoto. We are excited to welcome her to the Frances Fuchs Early Childhood Family.

Best regards,

Dr. Wanda Williams
