2021-2022 Maryland Green School Application Instructions and Cover Sheet

All public and independent PreK-12 schools within Maryland are eligible to apply. **New** schools applying for the first time **should** include information and documentation for actions that have occurred in the last two (2) years from September 2020 to June 2022. Schools that are **recertifying (application number two and beyond)** may include information and documentation for actions that have occurred in the last four (4) years from September 2018 to June 2022, but can focus the examples on the most recent 2 years unless there is an earlier example that is important to share.

Please refer to the Maryland Green School Program Guide and the MAEOE website for information about the [Maryland Green Schools program](#), [detailed guidelines for getting started](#), [requirements to apply](#), and [instructions for submitting an application](#).

Send online or electronic applications to applications@maeoe.org. For electronic applications, all pieces of the application can be attached to the same email, if possible, so information does not get lost or overlooked. Application deadline is by **Thursday, March 17, 2022**.

****Please Note:** The Application's Cover Sheet (included below) should be a separate attachment/file from the main application.

As part of our annual Youth Summit (virtual this year), we want to include "From Inspiration to Action" themed poems and posters of things your students are doing. Please submit these with your application if you would like them to be included in our virtual celebration.
