Dear Pre-Kindergarten and Kindergarten Parents,

Welcome to Panorama Elementary School. We are so excited to have you be an active partner in our family. We will be having an orientation for our Pre-Kindergarten and Kindergarten students on August 29, 2019 from 12:00 pm - 1:00 pm.

For those parents whose students will be attending our Pre-Kindergarten program. You will be meeting in the media center. For those parents whose students will be attending our Kindergarten program, you will be meeting in the Multipurpose Room. Parents and students will receive a welcome and short orientation from their teachers. This is a special time for you and your child, therefore we recommend siblings not attend this special event. The Kindergarten and Pre-Kindergarten teachers will call out their student's name to line up. Once all the students have been assigned a class, the teacher will walk the students and parents to their assigned classroom. **Please bring your school supplies to this orientation. This task will make the transition smoother for the first day.**

During the orientation parent's will be required to complete Important forms with staff members as well as, be informed of the school's office procedures, medication, guidance information, bus safety, and dress code policy.

The first day of school is Tuesday, September 3, 2019. The teachers will meet the assigned students in the classroom on this day. Bus information will be mailed directly to you from Prince George's County Department of Transportation. The phone number for the Transportation Department is 301-952-6570.

We look forward to meeting you at the orientation on August 29, 2019.

Sincerely,

Dr. Patricia Frazier, Principal
