# We Are Here to Help You!

The Family Support Center (formerly known as The Partners for Success Parent Center) provides resources and services for parents of children with disabilities.

### Our Mission

- To provide information about disabilities and related services
- To increase awareness of community services
- To assist families in resolving concerns
- To connect families with resources they may need to make informed decisions regarding their child's education
- To strengthen collaborative relationships with families, schools and community

### We provide the following:

- Assistance understanding the IEP process
- Access to workshops, resource fairs and conferences
- Assistance with preparing for your child's annual review
- Information about Extended School Year Services
- Lending Library (Books, Cd's, DVD's and brochures)
- Computer Lab
- Referrals to community agencies and services
- Telephone, email or walk-in assistance is available Monday-Friday

Stop by or call us today.

Maryland State Department of Education conducts a parental involvement survey each year, typically in the spring. This is your opportunity to provide feedback on the services that your family receive during the school year. Please take the time to complete this survey. Your feedback is very important to us. Should you need assistance completing the survey or if you would like additional information, please contact us.
