Kenmoor Middle School
Supply List 2019 - 2020

All students at Kenmoor Middle School will receive a textbook in Mathematics, Science, Social Studies, and Language Arts. They will also receive a Foreign Language textbook. It is important that these books are covered and taken care of, as students will be financially responsible for damaged and/or lost textbooks. In addition, $5.00 is needed to purchase an AGENDA book for recording assignments and helping with organizational skills. Agenda books need to be paid for during the week of school, if they are in from our supplier. Students are responsible for bringing their Agenda and supplies to classes each day. Parents are urged to review the Agenda daily as well as check to insure the child has an organized notebook and adequate supplies. There is a $5.00 Technology fee for all students.
